

Lightmoor Village Primary

School Newsletter

Issue 24:
05/02/16

Thank you for all your support and attendance at our new Assertive Mentoring parents evenings. We hope you found the experience useful. If you have positive comments please log onto Ofsted's Parent View site and feed back to us.

Stationery: As stated in our Parent Handbook, pupils do not need to bring any pencils, pens etc to school as we provide all the materials needed, the only exception to this is Year 6 when the pupils may bring in their own pens, pencils & other equipment.

Website

Our new website is due to launch on **Friday 26th February**. Please keep an eye on your emails as a link will be circulated on launch day for you to check it out. It is our hope to keep it as up to date as possible with upcoming events and news items.

Just another reminder that there will no longer be paper letters, newsletters, notices etc given to pupils to bring home, so please make sure you are checking your emails regularly.

Medical Appointments

Please ensure you make routine dental and doctor appointments for your child out of school hours. We are very concerned about the number of children attending routine appointments during school time. It is extremely disruptive to your child's learning to be coming in and out of lessons unnecessarily. We have checked with local dentists and doctors and they all provide appointments after 3.30pm and during the school holidays.

Sandwich Orders

Thank you so much for placing sandwich orders, we are very glad that so many of you like the new service. Can you please ensure that order forms reach the office the week before they are due to ensure the kitchen have ample time to prepare.

PE Kit

A reminder that PE Kits should be brought into school on Monday mornings and taken home on Friday afternoons. Timetables may have to be changed slightly to accommodate other things going on in the school so it is important your child's kit is always here.

Dates for your diary:

9th February: E-Safety Day

Team safe will be leading an assembly in school for pupils and staff on e-safety day about staying safe online.

10th February:

No Electricity Day

This will involve no use of electrical equipment i.e. computers etc, therefore lunch on 'no electricity day' will not include hot school dinners. Instead there will be sandwiches for all that want school dinner. This will be an ordinary school day but we will be saving energy!

11th February - Healthy Brain & Body Day

15th-19th February - Half Term

24th March - last day of term

12th April - Summer Term begins

Parking

Can we remind everyone to park responsibly, we have done everything we can to ensure the area is safe. We have no power to create a crossing outside, also if you collect after a club please come personally to the gate.

Thank you, as always for your continuing support.
